The Hotel Britomart

A modern retreat in the heart of the waterfront

When you're hosting a celebration, a cocktail evening, a conference or meeting, a wedding or elopement, a special family occasion or a corporate launch, The Hotel Britomart has a beautiful event space for you, set in the heart of downtown Auckland's most vibrant neighbourhood.

Our friendly event production and skilled culinary and beverage teams will work hand-in-hand with you to craft an unforgettable experience, with every detail attended to.

Sustainability is inherent in everything we do and is subtly woven into the design of our spaces, our product and produce sourcing, and our amenities.

Our events team would love to create a bespoke event for you and your guests, with the signature level of care we bring to everything we do.

Meeting sustainably at The Hotel Britomart

Getting together in person is great for sharing ideas and networking, but it can be hard on the environment. When you hold your meeting or conference at The Hotel Britomart, you'll be showcasing your company's commitment to sustainability while doing good business.

Sustainability is built into our design and day-to-day operation. As New Zealand's first 5 Green Star hotel and a Toitu Carbonreduce-certified organisation, our beautiful event and meeting spaces and guest rooms lead the market when it comes to health, comfort, sustainable business practices and energy-efficiency.

We sit at the heart of Auckland's central transport hub, with buses, trains, ferries, e-scooters, taxis, bikes and ride share options easily available, making getting here and home a breeze. Our amenities and fresh produce are sourced within New Zealand, and we make giving back to the community or earth part of our procurement process.

DAILY MEETING PACKAGE

\$129 per person
Minimum 20 people, maximum 50

Your meeting space is the beautiful, light-filled Papuke Room, lined with heritage brick, century-old timbers and plants. Morning tea, lunch and afternoon tea, with still and sparkling Antipodes water, sustainably sourced pens, paper and energy snacks are all included in your day rate.

For every 10 attendees at your meeting or conference, we will plant one native tree at our sister property, The Landing, in the Bay of Islands to contribute towards carbon offsetting. The Landing is a 400-hectare heritage property where over 1.2 million native trees and wetland plants have been restored over the last 20 years. Over 100 years, one tree will absorb around 1 tonne of carbon.
